Bob reminded the group that we need to investigate what other states have for laws as far as mandatory reporters. This will strengthen our case for the next round at the state house. Jeff will put together a document that has other states laws in order for the committee to review for submittal.

The group discussed the logo sent to all by Deb Spinelli. All were pleased with the new logo created by the graphic design group from FHS. Lynda motioned for approval, second by Jeff, motion passed 5-0.

Bill suggested that Jim DeVellis reach out to Aaron Averhart to see when he'd like to come to Foxboro and watch while the building at Cocasset River Park is demolished. Jim DeVellis has already gone through Conservation Committee and spoke with the Building Inspector. He has a team lined up and once confirmed time line with Aaron the group will have a date and time for the take down.

Bill Dudley will host training for churches and others on April 15<sup>th</sup>. Jeff will get registration set up for training on March 24 and 25<sup>th</sup>. Seniors will be hosting training within the month. Lynda will set up training for Jaycees, Normandy Farms and others.
