

Foxborough Child Sexual Abuse Awareness Committee

Minutes 2/26/2015

Attendees: Members in attendance Bill Dudley, Vicki Lowe, Deb Spinelli, Lynda
Absent: Bob Correia, Jeff Downs and Tim O'Leary

Minutes from 2/5 were approved, moved by Deb second by Vicki, approved 4-0

Deb will check the availability of Classroom 122 for training April 10th and 11th; Friday 7-9 and Saturday 9-11. Discussion about trainers, the group felt it was important to get the newly trained trainers out there and working, while the training is fresh in their minds. Lynda to reach out to Tim O'Leary and Kathy Brady for trainers.

Bill reminded the group that the churches will be holding their training April 26th at 2:00 at the Bethany, so that if folks can't attend the training on the 10th or 11th they are welcome there, and vice versa.

Vicki mentioned that she had questioned Mary Beth (Assistant Town Manager) about the cori process, at that time Mary Beth told her there was actually no one at town hall running cori's. Mary Beth has since become certified to run cories and is in the process of developing a policy.

The group believes that we should invite Bill and Mary Beth to one of our upcoming meetings to get the questions asked and answered about the checks and balances of the cories as well as our training.

Short meeting, as we only had the room for one hour, and a couple of us were late.

Next meeting 3/12
