

Foxboro Board of Water and Sewer Commissioners

Open Meeting Minutes

September 17, 2019

Members in Attendance: Mike Stanton, Chairman, Richard Pacella, Vice Chairman and Robert Garber, Secretary

Others in Attendance: Roger Hill, Manny Pacheco and Chris Gallagher

The meeting was called to order at 7:00 p.m. by Chairman Stanton.

Update on Station One Treatment Plant

The work is progressing well. It is a little behind schedule. Target date for completion is July 2020.

Update on Well Rehabilitation

Well #16 is on-line and producing 350 gallons per minute. Well #13 will be off-line either October 7th or 14th, 2019 until the new treatment plant is on-line. Wells #10, #9 and #14 are the next in line for maintenance. Wells #10 and #9 will be done in the next three months.

We are putting a new main in on Ledgeville Avenue. The price to replace the 6" with the 8" was the same as it would have been to re-line it. This should be done by September 23, 2019.

Beach Street is done and paved.

There is a new main at Forbes and Foxborough Boulevards.

Tank Rehab

The rehab went well; there were no water pressure problems and no complaints.

Rules and Regulations

This has been tabled until the next meeting.

Consulting Contract for Witch Pond Monitoring

The Board will not sign up at this time until further discussion.

Action Items:

The meeting minutes for 6/4/19 were presented. Richard Pacella made a motion to accept the minutes and Michael Stanton seconded it. There was no further discussion and all were in favor.

There was an Application for Abatement filed for 164 Cannon Forge Drive. Richard Pacella made a motion to approve the abatement, Michael Stanton seconded it. Upon further discussion, all were opposed and the abatement was denied.
