

**Town of Foxborough
Economic Development Committee
Meeting Minutes of May 3, 2017**

Present: John Eva, Tim Kenneally, Steve Coote, Kurt Yeghian, Mike Stanton, Mike Saegh, David Feldman, Kevin Weinfeld, Paige Duncan

Downtown

- The group discussed lighting in the center of town.
- Schneider indicated they would consider sponsoring an electric bus to shuttle from train to their facilities. Charging stations could be installed near the center of town.
- 29 Wall Street – looking into 21E issues.

Fire Station/Funeral Home Market Study

- Want to determine what the land is worth on a land basis and a per unit basis.
- Determine if market area can accommodate type of housing and a restaurant. Look at absorption, supply and demand, comps, etc.

Route 1

- The Northeastern engineering students looking at Route 1 will be presenting to the Board of Selectmen this month.
- DOT has indicated that resurfacing of Route 1 will occur in future years.
