Liquor License Warrant Articles- presentation to Ad Com went well. Follow up with additional 24J information was requested. Plan to attend Ad Com meeting to present additional information from package store liquor license holders and recommend change to article. Consensus of all is to pull the request for the new package store license off of this warrant. Additional information is needed regarding zoning and economic impact. Dave suggested that the request be studied and revisited for the Fall Town Meeting. Remaining agenda items were deferred to the next meeting.
