

**Advisory Committee Meeting  
Town of Foxborough  
May 9th, 2022**

**In Attendance:** Sharon Weiskerger, Jack Martin, Dan Peterson, Jay Mahoney, Rafaella Zizza-Feinstein, Mike Brown, Paul Ivanovskis, and Eric Delisle. Not present: Marlowe Farrar.

**Outside Attendees:** none.

**Minutes:** Taken by Paul Ivanovskis.

**7:15 pm. Advisory Committee meeting**

**Article 19 discussion and vote:** the Committee discussed updated information on this Article (which the Committee had previously approved). Specifically, because the phrase “Board of Selectmen” appears in some zoning bylaws, the changes proposed in the Article mean that:

- A public hearing is required on the zoning bylaw sections affected by the change; and
- A 2/3 majority vote on those bylaw changes would also be required, unlike the changes to the other bylaws. As a result, the two sets of changes might need to be presented in separate Articles.

Given that it was too late to pull Article 19 from the Warrant, the Board of Selectmen voted “No Action” on it, and the Advisory Committee followed with the same in this meeting, voting 8-0-0 in favor of “No Action”.

**Election of an Advisory Committee member to the Personnel Board.** A vacancy on the Personnel Board was created when Dennis Keefe was elected to the Board of Selectmen. The Committee voted 8-0-0 to appoint Mike Brown as our new representative on the Personnel Board.

**7:22 p.m.**

A motion to adjourn passed unanimously.

**7:30 p.m.**

The Committee met and presented at the Annual Town Meeting. The full minutes of that meeting will be filed separately by the town.
