

TOWN OF FOXBOROUGH
40 SOUTH STREET
FOXBOROUGH, MASSACHUSETTS 02035

Feasibility Study Master Plan
ADDENDUM #1

May 4, 2022

NOTICE TO BIDDERS

Question-

There is a requirement in the RFQ for the designer to be MCPPO certified. This is an unusual request for an architect with DPW experience as the certification is geared towards architects and OPMs for school building projects. Would the Town consider waiving this requirement since this is not a school project?

Answer- The town considers the MCPPO certification to be highly desirable

Question-

Under submission requirements, it notes that the Professional Services Contract must be signed by the proposer and included in the proposal. It is highly unusual to require the contract be signed prior to awarding the contract to the selected firm. Would it be acceptable to just include a statement in the proposal that says "we take no exceptions to the town's contract terms"?

Answer-

It is the towns practice to receive a signed contract to ensure that you agree to the terms and conditions.

Question-

Could you please provide a copy of the contract?

Answer- The Contract has been uploaded to the Town Website and forwarded to all that have requested bid documents.
