

**TOWN OF FOXBOROUGH**  
40 SOUTH STREET  
FOXBOROUGH, MASSACHUSETTS 02035

On Call Engineering & Support Services

**ADDENDUM #2**

May 2, 2022

**NOTICE TO BIDDERS**

Question-

Would the Town be amenable to modifications to the proposed contract to align with the consulting services to be provided, including supplemental provisions?

Answer-

The contract that is included in the solicitation document is to be used to get the engineering firms on the qualified list. Whenever work is going to be performed, the Town and the consultant will prepare a task list and any modifications such as supplemental conditions that are appropriate for the services that are provided. This will be considered an amendment to the contract.
