Personal Property-Business Closed

Please note that there is no provision in MA Personal Property Tax Law for prorating the personal property tax. If a business has taxable personal property assets in place on the assessment date of 1/1 for a given Fiscal Year, the business owes the personal property tax for the entire fiscal year.

Example: The fiscal year 2024 runs 7/1/2023-6/30/2024. The assessment date for fiscal year 2024 is 1/1/2023. A business closes on 1/15/2023 (14 days after the 1/1/2023 assessment date for FY24). The business is responsible for paying all personal property tax bills issued for Fiscal Year 2024.
