----------------	---------

- Electrical Permit fees are not refundable or transferable
- Electrical contract: includes all material and labor costs
- Licensed electrician may take out calendar year maintenance permit only if employed by firm occupying building. Maintenance permit only covers replacement of switches, receptacles, ballasts, circuit breakers, motors, and light fixtures. A separate permit must be taken out for all other electric work, new or replacement
- Failure to obtain permit within five (5) days from start of work, the fee will be doubled
- Re-inspection fee: when an inspection is requested and the work is not ready, unacceptable, or the building is not made accessible to the Inspections Office prior to the scheduling of the re-inspection, a reinspection fee of \$60.00/residential and \$100.00/commercial will be charged
- When the Electrical Inspector is called out on an emergency after business hours by any Town Official or Department, a charge of \$100.00 per hour will be paid in full to the Department. The owner of the building shall pay this expense. (4 hour minimum)
- Upon request, the Town's portion of Electrical Permit fees for municipal structures may be waived by the Board of Selectmen
- Any inspections after normal business hours will be evaluated on a case by case determination to cover associated costs
